

**MEETING AGENDA:**

**Teton Food and Farm Coalition Meeting**

**Wednesday, February 22, 2023**

**12-1:30 pm Zoom meeting facilitated by UI Extension Office, Driggs, ID**

1. 12:00 pm – Welcome & Introductions
2. 12:10 pm — New Business: Climate Change Comes to Idaho: 2023 Update by Dr. Thomas Blaine, OSU Extension

A fact-based educational discussion about climate change and its possible effects on you and our Idaho and Teton-regional food system!

Learn what it means for your property, garden, woodlot or farm through the year 2050. We will check-in and briefly share participant updates and introductions before diving into an interactive presentation by Dr. Tom Blaine, Ohio State Associate Professor. The presentation will likely spur discussions about our local climate and community.

5. Adjourn at 1:30 pm

Next meeting scheduled: Wed., March 22<sup>nd</sup> at 9-10am: discussion about food security, food waste, recovery, and Grow-a-Row programming in Teton Valley
